- (3) Wireless retail postpaid ARPA - average service revenue per account from retail postpaid accounts.
- (4) Wireless retail core prepaid ARPU - average service revenue per unit from retail prepaid connections excluding our SafeLink brand.
- (5) Intersegment transactions between Consumer or Business segment with corporate entities have not been eliminated.
- (6) Reflects the reclassification of recurring device protection and insurance related plan revenues from Other revenue into Wireless service revenue in the first quarter of 2025. Where applicable, historical results have been recast to conform to the current period presentation.

Where applicable, the operating results reflect certain adjustments, including those related to the reclassification of connections associated with Verizon's second number offering, migration activity among different types of devices and plans, customer profile changes, and adjustments in connection with mergers, acquisitions and divestitures. Where applicable, historical results have been recast to conform to the current period presentation.
